

Hello and welcome to the Montessori Regional Charter School 2025-2026 school year lottery. My name is Courtney Thompson and I am the district data coordinator. Joining me behind the scenes is John Mott, Director of Technology and Security.

Before we start, I want to offer you a short review of the enrollment process.

Any enrollment openings we have each year are open to any child residing in the Commonwealth of Pennsylvania.

According to our charter law, these openings are offered in an order of preference:

- First, to children of founding members of our charter (of which there are none).
- Then to siblings of children enrolled in our school.
- Next to children residing in the Erie and Millcreek School Districts, which are our chartering districts.
- Finally, to all other children residing in the state of Pennsylvania.

Waitlist numbers are chosen in order using a lottery random generator. Every applicant was assigned an application number based on your completed application submission. Once we generate the wait list number order, the application number will appear in one of the blue columns depending on the grade you applied for. Once the order is generated, the wait list will be established. An email will be sent to you the following day with your application number and waitlist number. The Lottery

Drawing Results will also be sent to you and posted on our website in the next couple of days.

Those are our 2025-2026 Lottery results.

Applications for all grades will be placed on the waiting list in order of lottery results. All waitlist results will be emailed individually and posted on our website.

It is important to keep your phone number and email address current with our school enrollment office so we may contact you if an opening occurs. Also, please be sure your voicemail is set up and able to receive voicemails and your email is not over the storage limit and can receive emails.

Thank you for watching and please us know if you have any questions.
